# VISION

**To safeguard the health of the Indian population by ensuring that the benefits of use of medicine outweigh the risks associated with its use**

# MISSION

**To improve patient safety and welfare in Indian population by monitoring drug safety & thereby reducing the risk associated with use of medicines**

# TRAINING OBJECTIVE

- **To train the various type of participants in Pharmacovigilance (PV) to develop skill in PV.**
- **Capacity building in the area of PV.**
- **To create awareness & sensitize the participants for reporting of AE/ADR.**
- **To foster research in the area of PV**

## **About NCC-PvPI, IPC**

Indian Pharmacopoeia Commission (IPC), Ghaziabad is an autonomous institution under the Ministry of Health & Family Welfare (MoHFW), Government of India. The IPC is functioning as National Coordination Centre for Pharmacovigilance Programme of India (NCC-PvPI) since the year 2011.

This programme is an important initiative of MoHFW for improving safety and welfare of Indian population by monitoring drug safety and minimizing the risk associated with the use of medicines. It also aims to bolster the regulatory mechanisms in India by utilising the drug safety database for signals and providing support for appropriate regulatory interventions. The programme seeks support from all stakeholders including the physicians, pharmacists, patients, hospitals, pharmaceutical industries and the consumers.

IPC, has been recognised as WHO Collaborating Centre for Pharmacovigilance in Public Health Programmes and Regulatory Services.

**World Health Organization (WHO) on July 18, 2017 recognised PvPI-IPC as a WHO Collaborating Centre for Pharmacovigilance in Public Health Programmes & Regulatory Services**

# Skill Development Programme on Pharmacovigilance of Medical Products

## Objective

- The objective of this skill development programme is to enhance Pharmacovigilance (PV) Knowledge and skills of the healthcare professionals, which in turn promote patient safety.

## Target Group

- Young Pharmacy / Medical / Paramedical professionals seeking career in Pharmacovigilance.
- Existing professionals in Pharmacovigilance.

## Career Prospects

- Employment opportunities in Pharmacovigilance in Government & Private sector.
- Career opportunities in regulatory system / CROs and public health programmes.
- Abilities to deliver Good Pharmacovigilance Practice at par with international requirements.
- Providing a platform for being an entrepreneur in Pharmacovigilance.

## Expected Outcomes

- Acquiring basic knowledge in Pharmacovigilance.
- Creating a workforce at National / International level to meet challenges in PV.
- Enable and mobilize a large number of health care professionals to take up training and acquire requisite skills for employment.
- Capacity building and strengthening of QPPv (Qualified Person for Pharmacovigilance) as per the requirement of the schedule Y of Drugs and Cosmetics Act.

## Course Content

- Pharmacovigilance: Basics, Objectives & Methods.
- ADRs: Understanding, Prevention & Reporting.
- Understanding of Individual Case Safety Reports.
- Materiovigilance Programme of India.
- Causality Assessment & Quality review.
- Signal Detection & Assessment.
- PV based Regulatory Action-Application of IT tools.
- Adverse Events Following Immunization (AEFI).
- Periodic Safety Reports: PSURs/PBRERs.

*“Interested candidates may get registered via online application form in the prescribed format available on [www.ipc.gov.in](http://www.ipc.gov.in). The duly filled application form along with payment receipt shall be submitted”*

*Application shall be processed on “First-come-first-serve” basis*

## Registration Procedure

**For any queries, please contact on [training.nccpvpi-ipc@gov.in](mailto:training.nccpvpi-ipc@gov.in)**

# Regional Workshop on Pharmacovigilance and Establishment of Pharmacovigilance System in Pharmaceutical Industries

## BACKGROUND

Pharmaceutical Industries play an important role for patient safety by collecting Adverse Drugs Reactions (ADRs) due to the use of pharmaceutical products and sending them to the Indian Pharmacopoeia Commission, NCC-PvPI. As per the recent amendment to Schedule Y, Drugs & Cosmetics Rules, 1945, notified vide Gazette Notification No. G.S.R. 287 (E) dated March 8, 2016, Pharmacovigilance has been made mandatory for Marketing Authorization Holders (MAHs) in India. In order to ensure the effective implementation there is a need to understand the issues and challenges for the MAHs as well as PvPI in terms of managing ADRs and to set up a Pharmacovigilance system at MAHs' organization.

## OBJECTIVE

To sensitize new drugs/generic manufacturers, importers, distributors and other stakeholders about Pharmacovigilance system strengthen as per "Pharmacovigilance Guidelines for MAHs of Pharmaceutical Products" at their site.

## TARGET PARTICIPANTS

Professionals in Pharmacovigilance, Quality Assurance (QA) and Regulatory Affairs (RA) in Pharmaceutical Industries and Healthcare Systems.

## EXPECTED OUTCOME

- Obtain information about requirements to setup/strengthen the Pharmacovigilance system.
- Obtain information to improve the Pharmacovigilance system in compliance with the regulatory requirements.
- Obtain information about quality management system at MAHs' site.
- Any other issues/challenges for Pharma-ceutical Industries for reporting of ADRs to IPC, NCC-PvPI.

## TRAINING CALENDAR

The tentative training schedule for Year 2023 are as follows:

S.	Event Name	Date	Venue
1.	Regional Training for MAHs	July 14, 2023 (Friday)	Indian Pharmacopoeia Commission Ghaziabad
2.		December 15, 2023 (Friday)	

\* Mode, Venue & Time will be made available at our website one month prior to the event

## Terms & Conditions for Registration :-

1. The registration shall be done on 'first-come-first' serve basis.
2. - **Online Registration Fee** : Rs. 1000/- including GST  
- **Offline Registration Fee**: Rs. 2500/- including GST
3. Payment shall be made by NEFT to Indian Pharmacopoeia Commission, Bank of Baroda, Sanjay Nagar, Ghaziabad.
4. Bank Account Number: 21860100013540, Branch IFSC Code: BARB0SANGHA (fifth character is zero), Type of Bank Account: Super Saving, MICR Code of Bank: 110012204.
5. Amount will not be refunded in any circumstances.

***Note:- Applications without fee will not be entertained.***

**Contact : 0120-2783400 Extn. 156 (Time - 10:00 AM to 5:00 PM, Monday to Friday)**

# Workshop-cum-Training programme on Pharmacovigilance for NABH-accredited Hospitals

## BACKGROUND

A Memorandum of Understanding (MoU) has been signed between Indian Pharmacopoeia Commission, National Coordination Centre for Pharmacovigilance Programme of India with National Accreditation Board for Hospitals and Healthcare Providers (NABH), Quality Council of India to promote ADR reporting.

## OBJECTIVE

To train NABH-accredited hospitals staff on Pharmacovigilance and ADRs reporting. Maximum Participants : Upto 200

**Registration Fee** : Rs. 1,000 including GST

## OUTCOME

- Enhancing corporate hospitals involvement in monitoring and reporting of ADRs to PvPI.
- Reputation of hospitals is enhanced as a part of the safety monitoring system.
- Bolster the hospitals in NABH accreditation
- At large promoting patient-safety.

## TARGET PARTICIPANTS

Healthcare Professionals including Physicians, Pharmacist, Staff Nurses, Young Medical, Paramedical Professionals.

## TRAINING SCHEDULE

Tentative training Schedule for NABH Accredited Hospitals for the year 2023 are as follows:

S. No.	Venu	Date
1.	NCC-PvPI, IPC	March 15, 2023
2.		October 13, 2023

\* Mode, Venue & Time will be made available at our website one month prior to the event

## **Terms & Conditions for Registration :-**

1. The registration will be done on 'first-come-first' serve basis.
2. Maximum five participants from one hospital can attend the programme, which include Clinician/Clinical Pharmacist/Nurses/Hospital management.
3. Payment shall be made by NEFT to Indian Pharmacopoeia Commission, Bank of Baroda, Sanjay Nagar, Ghaziabad.
4. Bank Account Number: 21860100013540, Branch IFSC Code: BARB0SANGHA (fifth character is zero), Type of Bank Account: Super Saving, MICR Code of Bank: 110012204.
5. Maximum 200 registrations will be accepted on first come first serve basis.
6. Amount will not be refunded in any circumstances.

***Note:- Applications without fee will not be entertained.***

**Contact : 0120-2783400 Extn. 156 (Time - 10:00 AM to 5:00 PM, Monday to Friday)**

**Mail ID : [training.nccpvpi-ipc@gov.in](mailto:training.nccpvpi-ipc@gov.in)**

# Induction-cum-Training Programme on Pharmacovigilance

## OBJECTIVE

To train the participants on Good Pharmacovigilance Practices (GVPs) and quality management system of PvPI and implement the same at Adverse drug reaction Monitoring Centres (AMCs) with a view to monitoring and ensuring patient safety.

## PARTICIPANTS

Coordinators/Deputy Coordinators of newly-recognized AMCs & newly-recruited Pharmacovigilance Associates at AMC and NCC-PvPI.

## VENUE

Indian Pharmacopoeia Commission/Hybrid Mode.

## TRAINING SCHEDULE

Tentative training Schedule for Induction-cum-Training Programme for the year 2023 are as follows:

S. No.	Venu	Date
1.	NCC-PvPI, IPC	11 <sup>th</sup> - 13 <sup>th</sup> January, 2023
2.		12 <sup>th</sup> - 14 <sup>th</sup> April, 2023
3.		19 <sup>th</sup> - 21 <sup>st</sup> July, 2023
4.		17 <sup>th</sup> - 19 <sup>th</sup> October, 2023

# TRAINING

# 3<sup>rd</sup> National Pharmacovigilance Week-2023 Celebration

## BACKGROUND

The National Pharmacovigilance Week was started by the PvPI in 2021. This will be celebrated every year throughout the country from 17<sup>th</sup> to 23<sup>rd</sup> September in the interest of patient safety.

The National Coordination Centre- Pharmacovigilance Programme of India (NCC-PvPI), Indian Pharmacopoeia Commission (IPC) will celebrate the 3<sup>rd</sup> National Pharmacovigilance Week (NPW) from 17<sup>th</sup>-23<sup>rd</sup> September 2023.

## OBJECTIVE

National Pharmacovigilance week celebration was aimed at creating awareness amongst the public, Healthcare professionals, Pharmaceutical Industries and healthcare authorities about the reporting of adverse drug reaction to PvPI.

## TARGET PARTICIPANTS

All Healthcare Professionals/Professional Bodies/ Academic Institutions and Adverse Drug Monitoring Centres (AMCs) working under NCC-PvPI, will celebrate the National Pharmacovigilance Week across the country.

## PROPOSED ACTIVITIES TO BE CELEBRATED AT AMC UNDER PvPI

Various modes like Workshops, Conferences, Pharmacovigilance walkathon, quiz competition, poster competition, audio-visual animation and skit will be used during the entire week for creating the awareness at hospitals, medical colleges and academia across the country.

## OUTCOME

NPW is expected to increase ADR reporting and encourage carrying out the activities related to Pharmacovigilance to the general public and all HCPs.

# MedSafety Week-2023 Celebration

## BACKGROUND

The Medsafety Week campaign will be celebrated in association with WHO- Uppsala Monitoring Center, Sweden from 7<sup>th</sup> November to 13<sup>th</sup> November 2023. NCC-PvPI communicate with all Healthcare Professionals, Academic Institutions and Adverse Drug Monitoring Centres (AMCs) functioning under PvPI to celebrate about the Medsafety Week and disseminate the campaign's material to them. E-mail banner will be added in the signature of the e-mail, animations, social-media cards, posters and share the same in the various social media platforms like Twitter, Facebook and LinkedIn etc.

## OBJECTIVE

The main objective of this campaign will be raised awareness of Adverse Drug Reactions and ADR Reporting Systems among the public.

## TARGET PARTICIPANTS

All Healthcare Professionals/Professional Bodies/ Academic Institutions and Adverse Drug Monitoring Centres (AMCs) working under PvPI will celebrate the Medsafety Week campaign across the country.

## OUTCOME

Medsafety Week will increase ADR reporting and encourage healthcare professionals and general public to carry out activities related to Pharmacovigilance.
