## System Operation Steps for the Installation of DVD of Indian Pharmacopoeia - 2018

### System Requirements

DVD ROM, Windows 7 (Service Pack 1), Windows 8 (Service Pack 3), Window 10, 1GHZ Intel/AMD Processor or above with minimum 4 GB RAM (6 GB recommended), Microsoft dot net framework, V 4.5.2 DVD Player required.

### SOP

The DVD of IP-2018 is a **Single User** basis and for the installation of DVD of IP-2018, please follow the system operation steps given below:-

- First insert the DVD in DVD Player.
- Make sure you have internet connection and it is on (required on first run only for registration, subsequently can be run without internet).
- In Windows Explorer go to your DVD Drive.
- Locate the file **'volumeviewer.exe'** and double click on it to launch it.
- The first time you run it, it'll open a Product Registration Window.
- Ensure that you are registering the software on the machine that you'll be using it as the software will not run on any other machine, than the one it's being registered from.
- In case internet is not running, it'll prompt you for connecting to the internet. Once the connection is established, fill in your registration details:-
    - Name of User
    - E-Mail
    - Name of Organization
    - Serial Number (This number can be found in a sticker on the DVD)
- Make sure all the fields are filled up and have correct information.
- Now press the Authorize Yellow Button. If everything has been filled correctly, you should see a success Window open in the right hand side of the screen.
- A green 'Registration' Button will appear on the button right hand side of the interface.
- Press the Button to complete the registration.
- You'll see a success Box and the IPC Volume Gallery Window will launch.
- This Window has four large yellow round buttons with 'Volume 1'; 'Volume 2'; 'Volume 3'; 'Volume 4' written on them.
- Clicking the Buttons will open the Volumes. For eg. Volume 1 Button will open Volume 1 and so on.
- In the below rectangle of the Window, you'll find two Buttons.
- The first one allows you to print the Volume (You can only print 10 pages or less at one time).
- The second Button is the information button, clicking which will show you your registration information.

In case if the problem persists provide the full serial number with the numerals prefixed to the serial number with screenshot at our E-Mail ID: ipclab@vsnl.net
